Good morning

I'm am writing to inform you that I have stepped aside as the President as of 05/20/2020. It was my honor to serve as a Director, VP, and President of this great Association for many years. I will, of course, continue to keep you informed and updated as things move along in the state dealing with Firefighters' health and safety.

Vice President Al Drake will be assuming all my duties and responsibilities for the remainder of my term.

Please be assured that I did not make this decision lightly and will be serving you in the future in a different role.

Best Regards,

Mark Flesher

NSFA Past President
